

Bigfork School District

ADMINISTRATION

6121

District Organization

The Superintendent shall develop an organizational chart indicating the channels of authority and reporting relationships for school personnel.

The organization of District positions of employment for purposes of supervision, services, leadership, administration of Board policy, and all other operational tasks shall be on a "line and staff" basis. District personnel occupying these positions of employment shall carry out their duties and responsibilities on the basis of line and staff organization.

Policy History:

Adoption Date: July 20, 2004
