Disposal of School District Property

The Board of Trustees is authorized to dispose of a site, building, or any other real or personal property of the district that is or is about to become abandoned, obsolete, undesirable, or unsuitable for the school purposes Section 20-6-604, MCA.

To affect proper disposal, the Trustees shall pass a resolution stating their decision concerning property disposal. The resolution will not become effective until fourteen days after the resolution is published in a newspaper of general circulation in the district.

Should any taxpayer properly protest the resolution during the fourteen days after the date of publication, the Trustees shall submit testimony to the court with jurisdiction.

Once the resolution has been adopted or if appealed, the decision has been upheld by the court, the trustees shall sell or dispose of the real or personal property in a reasonable manner determined to be in the best interests of the school district. Proceeds from the sale of fixed assets can be deposited to the general, debt service, building or any other appropriate fund.
