Operation and Maintenance of District Facilities

Facilities are to be maintained and operated in a safe, healthful condition and to preserve the district's investment. The Supervisor(s) of Maintenance in cooperation with the principals, the Safety Committee, fire chief, and county sanitarian shall periodically inspect plant and facilities. He/she shall provide for a program to maintain the district physical plant by way of a continuous program of repair, maintenance and reconditioning. Budget recommendations shall be made each year to meet these needs and any such needs arising from an emergency.

The Supervisor(s) of Maintenance, shall formulate and implement energy conservation measures. Principals and staff are encouraged to exercise other cost-saving procedures in order to conserve the resources of the district in their buildings.
