Matt,

I spoke with Jeff Franklin yesterday regarding the custodial position and told him the job was his pending on the physical and the background check. I had Alison give him a call so he could set up physical and get fingerprinted.

I would like to recommend Jeff Franklin to be hired as a custodian for the Bigfork School District pending passing the background check and physical. He currently is doing a lot of the task that is required to be a custodian and knows how to use the equipment we have and knows how to maintain the equipment. He is easy to get along with and is a team player.

Thanks.
