Matt,  
Please add the following to the next Board agenda:

**Board of Trustees:**

I am pleased to recommend Maggie Sand as the Middle School yearbook advisor. Maggie has a Bachelor of Science degree in Meteorology and is currently a para professional with us. She is quite eager to take on this role to work with middle school students. She has told me she has a passion for photography and inspiring kids so feels like this would be a good fit for her. Maggie has been a CASA representative for the past three years in addition to substitute teacher for Bigfork Elementary and Middle Schools. Prior to this, she worked for various weather consulting firms and weather services as a meteorologist.

Thank you,  
Brenda Clarke
