August 27, 2020

Dear Parents of Bigfork Schools,

Due to the new requirements limiting bus occupancies to 50 students per bus, in addition to our inability to have students arrive on campus prior to 7:45 am, there will be more student drop offs within a short period of time.

Since we anticipate some traffic concerns for the AM drop off we are initiating the attached AM traffic flow and parking designations. Our main objective is to decrease congestion at the traffic light of Hwy 35 and Grand Ave. keeping traffic moving in a clockwise movement around the school. K-8 parents will have parking access in the main parking lot of the elementary/middle school. High school parents and students will find parking in the main high school parking lot. Staff parking will be temporarily off site. We appreciate your flexibility. If you have any questions or concerns, please contact Transportation Director, Rob Tracy.

We do not anticipate the increased traffic being a concern for the PM pick up areas. Please see the attached PM pickup map from previous years. We intend to follow the same plan for PM pickup this year.

Sincerely,

Matt Jensen
