Mrs. Vukonich will post everything she can to Google Classroom so you can access it at home or if you need further review. Google Classroom has a grading feature, but Mrs. Vukonich will use the school's grading system to record final grades. Please check grades on Powerschool frequently so you are updated on your current grade or if you have any missing work. Your grade is your responsibility!

Class Expectations

- *Be on time, tardiness is not permitted
- *Have materials (pencil!) and assignments ready
- *Be respectful of others
- *Speak with academic vocabulary
- *Be positive!
- *Try your best

Make Up Work/Missed Class

If you miss a class, YOU are responsible for checking the missing work folders for information about activities and work you may have missed. Ask your peers for clarification of directions before or after class. If you need additional help from Mrs. Vukonich,, please arrange to come in during lunch or before or after school, DO NOT INTERRUPT class time. - All assignments, quizzes, tests or projects are due ONE DAY AFTER YOUR ABSENCE. Quizzes and tests must be redone outside of class unless time permits.

Food Policy

I understand you have a late lunchtime, and having a quick snack in class will be allowed; however, full lunch consumption will not be allowed in English class! The rule of thumb is: if you can hold your snack in your lap while you are actively writing or reading and you are not disrupting others, you can have it in class. No lunches unpacked onto your desk taking up desk/learning space.

*If you have a question about what is permitted, clear it with Mrs. Vukonich first.

Electronic Devices

Cell phones and personal computers may be used only with teacher permission. Cell phones should not even be on your desk (because they are so tempting) without teacher permission. If you need to call a parent, or if you have a personal situation going on that requires immediate communication, just let me know and I will allow you to use my phone. You may not wear headphones in the classroom unless you specifically ask and are granted permission. If a phone or other electronic device is being used outside the scope and purpose of the class without the teacher's permission, the device will be confiscated. Please remember to bring your chromebook to school each day and charge your chromebook every night.

Parental Permission

Due to the media literacy requirements of Common Core Standards, and also popular demand, we will view different short videos and media snippets in this class. Please initial below whether or not your student has permission to watch our video resources throughout the trimester.
