Subject: Route 21a Addition

I am requesting an addition of route 21a to be added to Bigfork's daily routes. 21a is needed to transport a student home at 11am 5 days a week. This student rides bus 16 to school in the mornings. The mileage round trip will be 32.4 miles. I have already added route 21a to our TR-1 with OPI for reimbursement. It may just be for the rest of the year but might roll over to 2022/2023 school year as well.

Sincerely,

Danny Walker
