

Class/Group Cave Club

Staff member in charge: Bodenhamer

Supervision (chaperones): Mandy Lowell / Heather Bodenhamer

Date of Trip: April 14 to 16, 2023 Destination: Froggs Fault near Lovell, Wyoming

Departure Time: 4:00AM, April 14 Return Time: 8:00PM, April 16

Transportation method: Van Transportation Dept has been notified:  yes  no  
If needed, bus or van is available  yes  no

Instructional Objectives:

**Ten Cave Club members will be establishing monitoring in Froggs Fault Cave, which is in the Pryor Mts of Montana, but easiest to approach from Wyoming. The students will be developing data for a final report and GIS driven web application.**

Pre learning activities:

**Students have been developing GIS layers, reports and apps for caves throughout MT as part of a cost share agreement with the US Forest Service.**

Post learning activities:

**GIS students will prepare GIS layers, a report, and web app.**

Is this an overnight activity?  **Yes** Is this an out-of-state activity?  **Yes**

Proposed itinerary (attach additional pages as needed):

**Travel to Lovell on Friday Check into motel. Saturday up early to drive within 2 miles of the cave. Hike to work in cave. Return to motel in evening. Sunday, up early to return to Bigfork by 8PM.**

Estimated Cost (including travel): \$1200 to \$2000 (depending on whether Mr, Bodenhamer can drive the van)

Housing: Motel

Funding Source: Cave Club Funds

(All money must be turned in to the office before trip departure.)

Submitted by H. Bodenhamer date: Lorem Ipsum

Principal approval (all trips) Mark House Superintendent approval (overnight trips) [Signature]  
Board of Trustee approval (out of state trips) \_\_\_\_\_

Copy of final approval to be sent to Transportation Department.
